

Item No.

SK-TCC/SK-TCC2D

Sure-Grip[®], DOTTED STRING KNIT Glove

FUNCTIONAL BENEFITS:

Gloves made with Kevlar[®] dramatically reduce lost-time cut injuries in the workplace, making them an economical choice

Highly dexterous glove is comfortable to wear for better worker compliance

Kevlar[®] will not melt or drip around open flame

Fully washable (**No bleach.**)

APPLICATIONS:

Sharp Steel
Petrochemical
Glass Aerospace Industry
Circuit Boards
Metal Fabrication
Auto Maintenance

Sure-Grip[®] Dotted String Knit Glove

Kevlar[®] on it's own is a highly cut- and slash-resistant fibre, but the SK-TCC is plated with high-tenacity nylon on the inside, making these gloves exceptionally strong, abrasion resistant and longer wearing. They weigh 70 grams a pair.
