Forklift drivers
Ranching

Endura[®], Grain Fitters Gloves

Endura[®] gloves are made from smooth top grain leather for durability, dexterity, plus oil and water resistance. Endura[®] fitters gloves stand up to heavy-duty rugged wear. Cowgrain styles are a heavier weight and are very durable, whereas grain pigskin gloves are noted for their breathability and how well they return to their original softness after becoming wet. Gunn-cut styling, features select grain palms, fingertips, index finger and knuckle strap to protect against scrapes and abrasion, while cotton backs are elasticized for snug fit and breathable comfort. Protective safety cuff for easy on and off. Complete with an absorbent cotton palm liner absorbs sweat allowing increased wear and comfort.

76B	Cowgrain, palm lined, safety cuff, Mens or Ladies (76BL)
76PB	Pigskin, palm lined, safety cuff
76PBQ	Cost effective version, pigskin, palm lined, safety cuff
