APPLICATIONS:

Utilities

365DLX2

365DLX6

Deluxe Lineman Gloves

These deluxe lineman gloves are made with select heavyweight 3 1/2 oz grain horsehide leather, that has been treated with a fluoro-chemical water-repellent emulsion for excellent water, oil, and stain-repellent properties. (The soft, breathable qualities of the leather are not affected by this water-repellent treatment.) Other special features include our performance thumb/palm patch, which reinforces critical-wear areas with a double layer of leather. The back of the cuff is made with a fluorescent-yellow leather with a contrasting red stripe for daytime visibility and a 3M Scotchlite™ retro-reflective strip for night-time visibility. All styles are sewn with Kevlar® thread for extra seam strength.
