Pruneface, Wrinkle-finish Heavy-duty Latex Gloves

Superior's 'pruneface' gloves offer the ultimate grip, thanks to their unique latex coating. Extra thick and highly textured, this deep crinkling provides amazing grip in wet conditions, with the added benefit of great puncture and abrasion resistance. All this on a soft jersey liner for great all-day comfort and reduced hand fatigue, these gloves are hard wearing with good dexterity. Available in three wrist styles, the bandtop version is palm-coated only.

L868K Fully coated heavy-duty wrinkle-finish latex on jersey liner, knitwrist cuff

L868B Palm coated heavy-duty wrinkle-finish latex on jersey liner, bandtop safety cuff, Size 10

L868G Fully coated heavy-duty wrinkle-finish latex on jersey liner, 11" gauntlet cuff, Mens size

Engineered hand protection for every industry™
