Pruneface, Wrinkle-finish Heavy-duty Latex Gloves

Superior's 'pruneface' gloves offer the ultimate grip, thanks to their unique latex coating. Extra thick and highly textured, this deep crinkling provides amazing grip in wet conditions, with the added benefit of great puncture and abrasion resistance. All this on a soft jersey liner for great all-day comfort and reduced hand fatigue, these gloves are hard wearing with good dexterity. Available in three wrist styles, the bandtop version is palm-coated only.
