Endura® Cowgrain Fitter's Glove

Endura® gloves are made from smooth top grain leather for durability, dexterity, plus oil and water resistance. Cowgrain styles are a heavier weight and are very durable and offer great protection against cuts, scrapes and abrasions. Absorbent cotton palm liner for comfort and sweat absorption. Complete with leather fingertips and knuckle strap for extra protection. Here's the perfect glove for many types of construction, particularly road construction where traffic safety is a high priority

76YBD	Cowgrain, patch palm, palm lined, safety cuff
76YBDQ	Cowgrain, economy patch palm, palm lined, safety cuff, Sizes S, M, L, XL
76YBDFL	Winter, patch palm, Cotton flannel fully lined, Sizes S, M, L

Engineered hand protection for every industry®
