

Item No.
WJ24

Top Star **DELUXE WELDER'S** Jacket

FUNCTIONAL BENEFITS:

Heat/Spark-Resistant

Long-Wearing Protection

Anodized snaps for reduced arc flashback

Kevlar® Sewn for Longer Seam Life

IMPROVED FEATURES!

Superior has revolutionized welding apparel with one simple difference: instead of sidesplit, we've taken grain cowhide and reversed it. The result: at just 3.2 lbs., our welder's jacket is a full 30% lighter than the competitor's version. In demanding, high-heat environments, this adds up to greater comfort and a lot less fatigue.

APPLICATIONS:

Welding

Foundries

Top Star Deluxe Welder's Jacket

TOP STAR jackets are the finest protective wear for welders. Top grade, Tri-tan reverse cowgrain delivers lightweight safety, comfort and style for longer wear and durability. All seams are Kevlar® sewn, with leather welting in critical areas, Black anodized snaps are leather reinforced, for less breakage & reduced arc flashback. Jacket features roomy inside pocket, soapstone pocket on sleeves, collar loop for hanging, riveted stress points, 3 position adjustable collar, wrist and waist, and unique coded sizing tag that withstands repeated wear & cleaning. Deerskin flap over chest seams protect against abrasion & sparks.

DuPont™

Kevlar®. Kevlar® is a registered trademark of E.I. du Pont de Nemours and Company.
