IMPROVED FEATURES!

Light yet tough! At just 3.4 lbs., our TOP STAR bib overalls are a full 40% lighter than the competitor's version. Superior takes its own Tri-Tan cowgrain leather, and reverses it, resulting in light, yet long-wearing protection. Which means greater comfort and less fatigue for the wearer.

Top Star Bib Overalls

Heavyduty protection in a light and durable overall. Features Superior's own Tri-Tan reverse cowgrain leather throughout. Adjustable double-leather shoulder straps, heavyduty nickel-plated buckles, back pocket with flap, rod pocket and rod holder ring. Kevlar® sewn, with steel-stitching in critical seams, all stress points are reinforced with rivets. Additional features include anodized snaps to prevent arc flashback and leather reinforcement in snap areas for increased durability. Kevlar® is a registered trademark of E.I. du Pont de Nemours and Company.
