### Snow Series - Extreme Cold Weather

Deluxe black cowgrain leather mitts and gloves are designed with cold Canadian winters in mind. Superior's Snow Series offers a range of styles to suit any application. Extra-warm acrylic BOA linings are a defining feature. Choose from two styles: long nylon gauntlet cuffs that are extra wide to fit over snowmobile suit or parka cuffs, with straps to allow for tightening; or, pull-on style with elasticized wrists for snug fit. Both styles keep out the cold and snow. SNOW200 features removable liner and soft fleece cheek warmer at back of mitt.
