FEATURES

- KeepKleen 100% Nitrile gloves provide Superior strength with better puncture resistance. The cuff edge is beaded for extra strength to prevent ripping during donning.
- Superior KeepKleen Nitrile gloves are lightly powdered with food grade cornstarch to ease donning and doffing.
- Superior KeepKleen Nitrile gloves are manufactured in an ISO 9002 registered facility. Certification and testing under ISO 11193. They are CFIA approved for food handling and Medical Exam Grade.
- Provides an alternative glove solution for individuals who are allergic to natural rubber latex

ALSO AVAILABLE
