Unsurpassed comfort and dexterity

Back uncoated for cool comfort and flexibility

## APPLICATIONS:

Automotive

Metal Stamping

Small-Parts Handling

Maintenance

Construction

S13FNT

S15BFNT

## Dexterity™ NT Foam-Nitrile-Dipped Work Gloves

Excellent oil grip and bare-hand feel are what set our Dexterity™ NT gloves apart from ordinary nitrile-dipped gloves. Micropores in the foamed, nitrile channel fluids away from the palm surface by absorbing them, providing excellent grip in light oil, on top of the already-superior abrasion, cut and puncture resistance. Fine-gauge, 100% nylon, seamless-knit shell is non-linting and breathable. Shell is dipped into foamed nitrile over an ergonomically-shaped hand form, giving this glove unsurpassed comfort and dexterity.

**S13FNT** Foam-Nitrile-dipped, 13-gauge, Nylon-knit shell. CFIA approved for food handling.

Sizes: 5-11

**S13BFNT** Black, Foam nitrile-dipped, 13-gauge, Nylon-knit shell.

Sizes: 6-11

**S15BFNT** Black, Foam-dipped nitrile, 15-gauge Nylon-knit shell.

Sizes: 7-10

Excellent oil grip and bare-hand feel are what set our Dexterity™ NT gloves apart from ordinary nitrile-dipped gloves

Engineered hand protection for every industry™
