APPLICATIONS:

Forestry/Lumber
Mining
Steel Mills
Material Handling

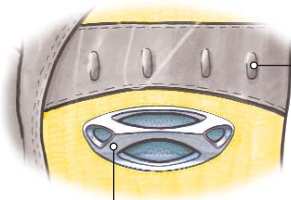

66BFP

66BDFPU

Our heavy-duty side-split Endura® Armour-Tech gloves take leather work gloves to the next level. The urethane palm patch delivers grip and increased abrasion and puncture resistance that you won't find in any other work glove. Our premium version also comes in a radical new design complete with vented back that keeps your hands cool and sweat free. Mechanics-style velcro wrist closure makes for a better fit and stylish looks. Perfect for heavy-duty applications like forestry/lumber, mining and steel.

GLOVE ATTRIBUTES:

Leather knuckle strap with embossed knuckle detail.

Molded vent, complete with breathable perforated mesh keeps hands cool and comfortable.

Polyurethane palm and fingers pads. Increases grip and provides protection against scrapes, abrasion, cuts and punctures.

Endura®

Engineered hand protection for every industry™
