NeoPro Bakers Mitt

Don't be burned by liquid spills again!

Our new NeoPro Baker's mitt is constructed from 3mm liquid repellent Thermal Neoprene that protects up to 500 degrees°F/ 260 degrees°C. The NeoPro also provides much better heat insulation in dry conditions than woven cotton or terry baking mitts. You will be amazed how comfortably you can hold even the hottest pans and trays. The textured grip gives unparalleled grip in wet or dry conditions. Stain resistant and Dishwasher safe for easy clean up.

NBM Neoprene Mitt, 14" overall length
