FUNCTIONAL BENEFITS:

CFIA approved for food handling

Tough nylon is highly launderable for reuse

Hand-to-hand reversible for greater economy,
longer wear

THT™ (True Hand Technology)

APPLICATIONS:

Commercial Fisheries

Food Processing

SureKnit™ Bright White Synthetic String-knit Gloves

Tough, nylon SureKnit™ gloves are the favorite choice of workers in the commercial fishing industry and in food-processing applications. The synthetic fibers do not soak up water, oil or other liquids; hence, they do not get heavy when wet. Knit with THT™ (True Hand Technology) for greater comfort and less hand fatigue, gloves are bright white and are fully launderable. Use oxygen bleach if needed.

Approved by Agriculture Canada for food handling.

SN SureKnit™ Bright-white nylon, 56 grams/pr., CFIA approved for food handling.
Made with THT™
Size S - XL

SUREKNIT™

Engineered hand protection for every industry®
