66NIBBOAK

DEX-FLEX Nitrile-impregnated Fitter Gloves

Superior's DEX-FLEX fitter-style gloves feature nitrile-impregnated fabric on the palms, fingertips and knuckle strap, and cotton backs for exceptional durability and abrasion resistance. A great alternative to leather, they offer better comfort, better flexibility and great fit. Band-top safety cuff and elastic at back of wrists keep gloves in place. Gunn-cut glove style features full nitrile thumb and forefinger. Available in a winter version as well, with warm acrylic BOA lining and an added knit-wrist cuff.

66NIB

Brown, safety cuff, cotton back

66NIBBOAK

Brown, safety cuff, cotton back. BOA lining, combination knit-wrist cuff on band cuff

Engineered hand protection for every industry™
