APPLICATIONS:

Electronics

Light Assembly

Inspection

MXP

Clutch Gear® Split Deerskin Mechanics Gloves

As close as it gets to a bare-hand feel, our Clutch Gear® MXP gloves offer a cost-effective alternative to traditional mechanics gloves. The Split Deerskin leather palm and stretch Lycra backs allow for easy donning, with the kind of touch sensitivity you usually can only get in a latex glove. Forchette pattern features a set-in bolton thumb. Gloves are ideal for precision work like electronics, light assembly or inspection.

MXP Clutch Gear® Split Deerskin mechanics glove, stretch Lycra back for snug fit, Sizes 7, 8, 9

Engineered hand protection for every industry®
