Backs are padded for protection against knocks and scrapes

APPLICATIONS:

Mechanics
Assembly work
Material handling

MXXYL

Clutch Gear® Car Doctor Gloves

Our Clutch Gear® Car Doctor mechanics gloves are called 'exam gloves' because you get awfully close to the kind of tactile sensitivity and dexterity that surgeons experience. Xeon palms have a super-stretchy bias, plus a tacky grip with an outstanding .725 coefficient of friction.

Gloves feature easy-entry, slip-on cuff design, with added stretch-nylon backs for a snug fit and protection from knocks and scrapes. Car Doctor Clutch Gear® gloves are superior mechanic's gloves.

MXXYL Clutch Gear® Xeon super-stretch palms, Slip-on style, two tone, yellow and black back, Sizes: M - XL

WARNING!

These gloves ARE NOT flame proof or fire retardant.
DO NOT wear welding, grinding or expose to open flame.
