Clutch Gear® Open Finger/Framer's Glove

As form fitting and comfortable as Clutch Gear gloves are, there are some jobs where you absolutely need your index finger and thumb unencumbered. Framing in construction for example. But why should the rest of your hand, get beat up and pay the price. Clutch Gear Framers, will keep your hands happy with, stretch nylon backs, neoprene comfort cuffs with adjustable Velcro closures, and a reinforced performance patch on the thumb crotch and two grip and wear patches on the palm. Thumb, index finger and middle finger open.

MXF Open finger, framers style, Sizes S, M, L, XL

Engineered hand protection for every industry™
