66BRPU12N

CrewMate™, Double Layer Fitter Gloves

When it comes to new innovation in work gloves, you can count on the glove designers and R&D team at Superior glove.

Introducing our latest and greatest leather fitter style, fully lined with 12 layers of Nylon for increased puncture resistance. The glove comes complete with our '**PERFORMANCE THUMB**', a double layer of leather protection sewn on the thumb crotch controlling the main wear area on most glove styles. Kevlar® sewn, with a polyethylene reinforced cuff. The 66BRPU12N CrewMate™ are at the top of the line in our heavy duty fitter glove series.
