Endura, Arctic Circle Brown Split-leather Freezer Gloves

Superior's Endura® grain cowhide gloves provide comfortable, dependable hand protection. Constructed of durable split-leather with double leather palm and thumb patch for increased wear and protection. Extra-long orange knitwrist cuffs seal in warmth and keeps the cold out. Fully lined - Thinsulate™ lining adds up to 1.5 times the insulation value of down, without being water-absorbent, gloves retain their insulating ability even in damp conditions. Arctic Circle gloves are a real asset to the worker exposed to winter elements, or any type of cold climate.
