Emerald CX Premium Kevlar®/Stainless-steel String Knit with Split Leather Palms

Emerald CX is an engineered blend of super-strong materials to protect your hands from cut hazard. So, the latest addition to this series goes one further by adding stellar abrasion resistance via premium split-leather palms. Grade-A split leather palms also add rugged durability, for a high-performance glove that features good dexterity, plus a dramatic increase in abrasion resistance for longer glove life. Thumbs are fully covered.

String-knit glove body is our own Kevlar®-stainless-steel composite yarn blended with polyester. Featuring 1900 grams of cut resistance, gloves achieved an impressive ASTM cut-level 4 rating. Ideal for moderate cut applications such as handling metal stampings, glass or other sharp materials.
