Criss Cross
PVC criss-cross pattern offers non-slip grip

Tigerpaw Criss-Cross Gloves

Put a tiger...on your paws! Superior's Tiger Paw criss-cross gloves are the ideal glove for anything from construction, material handling or even commercial fishing. Made from a heavy-weight polyester/acrylic blend, they feature a PVC criss-cross pattern on both sides of the glove, making them ambidextrous and longer-lasting. Thumb and fingertips are reinforced with PVC, and entire glove is bright orange for high visibility. PVC on palms offers an excellent non-slip grip and is won't wear out.

SAPCC Orange acrylic/polyester-blend string knit, orange PVC grip pattern on both sides, 120 grams/pr
Sizes S, M, L, XL

Engineered hand protection for every industry®
