KeepKleen® Polyethylene Apron with Sleeves

This polyethylene, disposable, full-length apron offers great protection and even greater convenience, because of the built-in sleeves. The 2-mil polyethylene protects clothing during food preparation, but can be used in any situation where protection from stains and spills is of concern. Sleeves extend all the way to the hands, and feature thumb holes to keep them in place. Front of apron goes all the way to the neck, over the shoulders and across the back, with an opening for the head. Along with straps at the waist, apron is designed to ensure a secure fit and better comfort while working. Length: 55", width: 35". CFIA approved for food handling.
