RDWNPF

KeepKleen®, Soft White Nitrile Exam Gloves

Our new KeepKleen® nitrile powder-free exam gloves are class 2 medical grade. The best choice for tear and puncture resistance, our soft, stretchy white nitrile protects you with a comfort and fit like no other. Grip is enhanced by textured fingertips, yet still features the touch sensitivity you've come to expect with the KeepKleen® brand. Ergonomically shaped to reduce hand fatigue, they provide a much needed alternative for those with latex allergies. Kind of like a 'white knight' of hand protection. . .

RDWNPF Disposable 5 mil, White Nitrile glove, Class 2 Medical Exam Grade, Sizes XS

KeepKleen

Engineered hand protection for every industry™
