RDNPF12

12" Synergy® Nitrile Powder-free Examination Gloves

We've spared no expense on our line up of Synergy® nitrile powder-free exam gloves, and now offer the same glove in a 12" length for extra forearm coverage. These gloves are class 2 medical exam grade. At 5.5 mil., they are slightly thicker than our regular line, but with added stretch for maximum comfort. Our Synergy® glove line is quickly gaining a reputation for unmatched quality and consistency.

RDNPF12 Synergy® disposable nitrile gloves, powder-free, textured, 12" length

Engineered hand protection for every industry®
