Dyneema<sup>®</sup> Liner

## Sidekick<sup>®</sup> Premium Side-split Fitters Glove Lined with Dyneema<sup>®</sup>

Superior uses only the highest-quality, rugged materials to create our heaviest-duty fitter gloves. Gunncut-pattern glove combines 1.4 mm premium side-split leather, selected for its durability, with 9 oz. cotton twill to create a glove that stands up to the toughest jobs, and features a 10-gauge, seamless string-knit Dyneema<sup>®</sup> liner for significantly better cut protection. Super-strong Kevlar<sup>®</sup> thread is used for seam integrity. Bandtop/safety cuffs are two-ply, washable polyethylene, and allow for easy donning of gloves. Elasticized at back of wrist for snug fit.
