Maintenance

Petrol-chemical

## Flexible PVC Gloves with Kevlar® Liner

Torpedo Plus™ with Kevlar® gloves take the comfort, flexibility and fit of fully coated gloves to a new level. They have to be tried to be believed. The secret is in the combination of a seamless knitted Kevlar® shell, the use of very well engineered, ergonomically hand shaped dipping forms, and a premium, super soft and flexible PVC formulation.

**S230SKFLXL** 30cm Brown, soft flexible PVC, complete with seamless knit Kevlar® liner, Size: XL

Kevlar® is a registered trademark of E.I. du Pont de Nemours and Company
