Landscaping

Item. **76BOE**

### Endura® Grain Fitters Glove w/Outer Elastic Backs

Endura® fitters gloves stand up to heavy-duty rugged wear. These gloves have the added feature of an outer elastic back, so when not being worn, you can hang them off your belt or any other place that's handy. They provide excellent protection from cuts, scrapes and abrasions because of the smooth top grain cowhide from which they are made. This also gives them excellent dexterity and durability, as well as oil and water resistance. Elastic backs also ensure a snug fit. Glove is palm-lined with an absorbent cotton liner.

**76BOE** Cowhide grain fitters, outer elastic back, safety cuff. One size.  
**76PBOE** Pig grain fitters, outer elastic back, safety cuff. One size.

**Endura®**

Engineered hand protection for every industry™
