Fully Kevlar®-sewn throughout for seam strength and resistance to sparks

APPLICATIONS:

Tig Welding
Material Handling
TIG / MIG Welding
Fabrication

335CBP

**SEWN WITH
KEVLAR**

Precision Arc Cowgrain TIG Welding Gloves

Precision Arc welding gloves are made with reverse grain cowhide for longer wear. Gloves feature a reinforced gold-colored split back patch that spans the back of the hand to halfway down the 4" cowhide gauntlets, for greater protection against knocks and scrapes. Gunn-cut styling and strapped thumbs round out the comfort and durability of this glove. Fully Kevlar®-sewn throughout for seam integrity and resistance to sparks.
