

#S13HVLX

Dexterity[®]

13-Gauge Polyester Knit with Microfinish-Grip
Foam-Latex Palm Coat

#S13HVLX

Two layers of unique, textured microfinish latex, applied to knit glove over an ergonomic hand form, delivers excellent wet/dry grip with improved comfort and dexterity. Fine-gauge polyester knit is really lightweight and breathable, wicking moisture away from hands, while the high-viz lime-green color at the back of the hand increases safety. Seamless comfort that is shaped to your hand, combined with a dependable grip, make Dexterity[®] a great choice for construction, material handling, masonry work, handling glass, automotive work and the forestry industry.
