

#SCX6AS

EMERALDCX®

**ANTI-SHRINK
CUT-RESISTANT
COMPOSITE STRING
KNIT GLOVES**

2900 GRAMS
of cut protection

**AVAILABLE
SIZES**

FEATURES

- Full index finger and thumb reinforcement for increased cut and abrasion resistance in high-wear area of glove
- High-performance composite offers longer lifespan than regular aramid-based gloves
- Blend of five high-tech fibers are consistent across knit surface for better cut and abrasion protection and longer glove life
- Hand-to-hand reversible and fully launderable (*no chlorine bleach) for greater savings

APPLICATIONS

Automotive Assembly
Glass Handling
Metal Fabrication
Sheet Metal

TESTIMONIAL

DAVID H.
(ELECTRICIAN)

We have used your gloves with very good results. I have used them around a test bed installation project which required a lot of nut and bolt manipulation. Dexterity of the glove was incredible and performance was top notch. Hazards were abundant, sharp edges, hot metal, drill bit shavings and a few others. The glove protected my hands in all conditions and I continue to use them as my daily hand protection around the plant for routine maintenance tasks. This product works great for us.
