Cowgrain TIG Welding Gloves

#335CBP

Endura® welding gloves are made with reverse grain cowhide for longer wear. Gloves feature a reinforced gold-colored split back patch that spans the back of the hand to halfway down the extended cowhide gauntlet cuff, for greater protection against knocks and scrapes. Gunn-cut styling and strapped thumbs round out the comfort and durability of this glove. Fully Kevlar®-sewn throughout for seam integrity and resistance to sparks.
