## CUT-RESISTANT STRING- KNIT LEATHER PALM GLOVES

### AVAILABLE SIZES

### FEATURES

- Kevlar<sup>®</sup>-stainless steel composite yarn blended with polyester to achieve improve comfort and durability
- Economically priced
- Ideal for moderate cut applications such as handling metal stampings, glass or other sharp materials

### APPLICATIONS

Sheet Metal  
Metal Stamping and Fabrication  
Glass Handling

### TESTIMONIAL

DAVID H.  
(ELECTRICIAN)

We have used your gloves with very good results. I have used them around a test bed installation project which required a lot of nut and bolt manipulation. Dexterity of the glove was incredible and performance was top notch. Hazards were abundant, sharp edges, hot metal, drill bit shavings and a few others. The glove protected my hands in all conditions and I continue to use them as my daily hand protection around the plant for routine maintenance tasks. This product works great for us.
