

#505i

# Endura<sup>®</sup>

## Standard MIG Welding Glove

#505i

When it comes to rugged durability and economy, cowhide is tough to beat. Along with high abrasion resistance, cowhide offers great dexterity that improves with each use. Our best-selling Endura<sup>®</sup> welding gloves feature split cowhide, wing thumb, one-piece backs, leather-welted critical seams. Full semi-sock thermal-knit cotton lining for comfort and added heat protection. Generous sizing to reduce hand fatigue. Heat protection of up to 284°F (140°C).

Also available in a ladies (#505Li) and a one finger mitt (#501i).
