Sure Knit®

Cut-Resistant Food Industry Glove

#SPWWH

These gloves are knit from a high tech yarn which is a combination of a stainless steel core wrapped with HPPE. These gloves give exceptional protection against cuts from sharp edged materials and knives. They stand up to repeated washings. Gloves are ambidextrous and sold individually. This glove is ideally suited for industrial applications and for food applications.

Also available with a PVC dotted palm (SPWWHD).
